

Shelia N. English

Vice President
Client Advisor

With over 18 years of experience in Wealth Management, I have learned that the key to each client's financial success is an advisor who listens and understands the purpose of your investments. My goal as your J.P. Morgan Private Bank Advisor is to build trust and provide immediate and long-term financial guidance in Investment Management, Wealth Planning, Lending and Deposits, which will allow you to make confident and intentional decisions in an uncertain environment.

I began my career as a Trust Officer after completing Cannon Financial Trust School and earning the Certified Trust and Financial Advisor designation. I completed my Bachelors degree in Business Administration from the University of Detroit Mercy, graduating Magna Cum Laude, and earned an MBA from Wayne State University and hold FINRA Series 7 and 63 licenses.

My love of community and positively impacting the lives of others led me to join the Board of Directors for Matrix Human Services and Urban Outdoor Outreach. I enjoy yoga, nature, cooking, salsa dancing and spending time with family and friends.
